Ms. Carol E. Williams, Executive Director
Governmental Ethics Commission State of Kansas
109 West 9th Street, Suite 504
Topeka, KS 66612

Dear Ms. Williams:

I am writing with regard to your letter of August 30th about the error on the July 24, 2006 Receipts and Expenditures Report for Harry McDonald III.

We are unable to determine the donor or donors of this \$30 contribution. We feel it was contributed by more than one individual, but cannot prove that these contributions were less than the \$10 maximum unidentified contribution. Mr. McDonald has made a contribution of \$500 to the Kansas Families United for Public Education Foundation a 501C3 organization that is focused on insuring quality education for all students and increasing student achievement. We are hopeful that \$30 of this \$500 contribution can be considered as an expenditure of this contribution in a non political manner.

Please advise us if this is not a satisfactory resolution to this error.

Yours very truly,

Robert D. Regnier
President
